

Republic of Madagascar

Estimated population 17.4 million

Madagascar is a large island separated from the south eastern coast of Africa by the Mozambique Channel. A former French colony it gained its independence in 1960. Coffee, sugar cane, pepper, vanilla and cotton are important crops and tourism is increasingly important as a foreign currency earner. Mauritius has a high GDP per capita by African standards of \$5,010 and is rated 63rd in the UN Human development index. Female life expectancy is 59 and male 54.
